Jacquie,

I just received this from Springfield. Please take a look at it when you have a chance, along with the Pretreatment Ordinance and the other documents (ERP and attorney's statement) that I am just now requesting. I think it is OK since it explains the nature of the changes and tells how to see the actual document, as well as following our format and providing the basic contact information. Please let me know what you think.

J.J.

Hello Jonathan,

Attached is our proposed public notice announcement for use once our Pretreatment Ordinance changes have been approved. If this is acceptable we will publish it in The State Journal Register after receiving approval of all changes.
